

BDO Nursing Home Advisory

ADVISING THE IRISH NURSING HOME SECTOR

IN-DEPTH SECTOR KNOWLEDGE AND EXPERIENCE DELIVERS ADDED VALUE FOR NURSING HOME CLIENTS

With improvements in people's overall health and Irish people living longer, there is a significant challenge on the Irish Healthcare System to ensure that Ireland's ageing population are adequately cared for when this need arises.

BDO is one of Ireland's foremost advisory firms specialising in the provision of healthcare advisory services.

Our dedicated healthcare team is experienced in advising on financial, managerial and operational aspects of healthcare.

We assist our clients in the healthcare sector with particular emphasis on growing or developing their nursing home business.

- Evaluating the viability of a business idea or project
- Reviewing and assessing funding requirements
- Financial projections and sourcing of finance
- Assistance in negotiating a Fair Deal Rate with the NTPF
- Tax planning, restructuring and compliance reviews
- Succession and ownership transition options
- Exit strategies from tax based nursing home property investments
- Complying with annual financial reporting and compliance obligations

Combining this direct, specific industry experience with BDO's professional capabilities and expertise, we can deliver a strong offering for our clients.
