Ireland Strategic Investment Fund (ISIF)

Facility	Eligibility	Overview
Pandemic Stabilisation and Recovery Fund – €2BN	<p>Medium and large enterprises (more than €50 million in annual revenue or more than 250 employees)</p> <p>ISIF will seek to invest in businesses that have been clearly & materially affected by COVID-19.</p> <p>ISIF may consider investing in enterprises below these levels if they are assessed to be of substantial scale and of significant importance at national or regional level.</p> <p>All sectors will be considered subject to ISIF's Responsible Investment Policies.</p>	<p>The fund is to provide debt or equity funding to medium to large companies negatively affected by COVID-19.</p> <p>The ISIF Pandemic Stabilisation and Recovery Fund will mirror the approach of ISIF's existing and proven investment strategy.</p> <p>The fund will act as an accelerator, investing on a commercial basis in businesses that can meet the investment requirements and can use ISIF investment to return to long-term viability. Investments can be across the range of instruments from senior debt, hybrid instruments to equity, and can be tailored to take account of the particular circumstances of each investee. This will enable businesses to access the capital they need in the most appropriate form that best suits their individual circumstances.</p> <p>In making investments, ISIF will seek to maximise the quantum of additional capital that the investee business can access from its existing shareholders and banks, from potential new co-investors and from European sources (such as the European Investment Bank), thereby minimising the amount of ISIF capital that may be needed.</p> <p>Enterprises must be able to demonstrate their business was commercially viable prior to the COVID-19 pandemic, and that they can return to viability and contribute to the Irish economy. Investments will need to yield a commercial and economic impact return in line with ISIF's statutory requirements.</p> <p>Key aspects of this type of funding:</p> <ul style="list-style-type: none">• Capacity for long term time horizon• Flexibility (across types of investment, capital structure, instrument, risk levels etc.)• Patient capital, non-controlling/minority investor• Track record, investing across a wide range of sectors• Ability to work with co-investors.
